PRINTING ISSUES

How to Disable Adobe Extension in Chrome

DISABLE ADOBE EXTENSION IN CHROME

If you are using Google Chrome, and having trouble printing from Sapiens, you may need to disable the Adobe extension in Google Chrome to resolve printing issues. Here is how.

STEP 1:

Click on the horizontal ellipses in the top right corner of the Chrome browser window.

Click on "Extensions"

	\sim	-	đ		×
० 🖻 ★	7	*			:
New tab				Ctrl+	т
New window			Ctrl+N		
New Incognito window			Ctrl+Shift+N		
History					•
Downloads				Ctrl+	J
Bookmarks					►
Extensions	2				►
Zoom	-	100%	+	53	3

STEP 3:

Set the switch under the Adobe extension so that it is **OFF**/grayed out.
